

Metric Nylon 12 Tube

MN12T is manufactured from extremely high grade nylon granules, this hose gives almost total resistance to abrasion and many more chemicals including dilute acid and alkaline.

Very stable in moisture type atmospheres.

High resistance to moisture absorption

Manufactured to BS5409 & DIN 73378

Working pressure will differ at higher temperatures

Applications

Fuel Lines Food / Beverage

Lubrication Brewing Industry

Working Pressure 150psi to 400psi

Working Temperature -40°C to + 80°C

Metric Flexible Nylon 12 Tubing 30mtr Coils -Natural
